

THE TALL SHIP

GLENLEE

LEARNING PROGRAMME 2023-2024

Welcome aboard the historic *Glenlee*! With a wide range of workshops, tour options and other add-ons, your visit can be as individual as your students are! With exciting workshops covering a variety of topics from pirates, mermaids, the Titanic, to Glasgow in World War One, all levels can experience a truly unique and memorable learning experience.

If you aren't able to visit the ship, our loan chests are bursting with intriguing objects and stimulating resources to bring the *Glenlee* experience straight into your classroom!

To book a visit, please contact our learning team or visit our website.

LOAN CHESTS

AT THE TALL SHIP *GLENLEE!*

Bursting with exciting and thought-provoking objects to handle and explore, fun games, engaging activities, and classroom discussion topics, our chests are enhanced with a range of digital resources including living history videos, craft activities, and other links. Your students will get a real taste of what life was really like aboard a turn-of-the-century ship, learn why ships built on the Clyde were acknowledged as the best in the world, and respond creatively to a wide range of stimuli. These chests can either act as a preliminary introduction to the ship and its history before a class visit, or simply as a stand-alone resource.

TITANIC WORKSHOPS

P4-P7

P4-P6

Titanic: Captain's Table

£75

33 pupils max.

In this workshop, students train to become servants on-board the 'unsinkable' *Titanic*. A costumed servant will put pupils through their paces as they learn appropriate table manners and Edwardian etiquette. In groups, students will have the opportunity to design fantasy First Class menus before attempting to set the Captain's Table for an imaginary dinner!

P4-P7

Titanic: Shipwrecked

£65

33 pupils max.

In this workshop, students will become mini-marine archaeologists as they excavate artefacts from the *Titanic* in 'seabed' sand trays. Using primary and secondary sources, they will work in teams to discover the stories of passengers and crew lost at sea.

P4-P7

Titanic: Morse code

FREE*

33 pupils max.

In this workshop, students will have the rare opportunity to hear from ex-Radio Officers who have sailed around the world and communicated using Morse code. Not only does this workshop include expert Morse demonstrations, but students will also have the chance to have a go themselves!

*FREE when booked with another *Titanic* workshop.

GUIDED TOURS AND SELF-LED VISITS

N1-S6

Self-Led Visits

All levels £1 per student

If you're looking to explore the ship without a guide, a self-led visit is the one for you! We offer the choice of a standard visit or you and your group can take part in a self-led scavenger hunt! There is no additional cost for the scavenger hunt but please do let us know at the time of booking so that we can provide the appropriate resources.

Additional Information

All groups must book their visit at least 48 hours in advance to guarantee access onboard the ship.

Self-led groups can book a lunch area for a charge of £20 per 30 minutes.

Guided Tours

All levels £4 per student*

Our guided tours offer students the chance to trace the history of *Glenlee* and learn about life onboard a Victorian sailing ship. All guided tours are accompanied with our tour kits which include objects chosen to engage the senses and help pupils develop a more profound understanding.

*Or £3 when booked with a school workshop.
